

HILLTOP SANCTUARY

1 Foreman Street
Hill Top NSW

This immaculate three-bedroom cottage is so much more than it seems. New floors, pot-belly stove to keep you warm in winter, a kitchen with a chef's cook top and oven, and a modern, well-appointed bathroom and separate toilet, you've got everything you need in the main house. Step into the spacious backyard, however, and you'll find so much more. A combined garage with annexe that houses a huge workshop, storage space galore, and a large bathroom with shower, toilet, and laundry facility. All of which joins a separate lounge area with spa pool, perfect for relaxing after a hard day on the tools. The house is a short walk from the Hill Top village shops, with supermarket, restaurant, bakery, chemist, bulk-billing doctors, and a combined post office, newsagent, and bottle shop. Hill Top Public School is just as close. All this just 10 minutes' drive to the freeway. Get in quick.
