15 Forrester Street
Kingsgrove NSW

PROPERTY DESCRIPTION This property has been immaculately refurbished to create a sleek, modern office environment with a discreet yet functional warehouse & storage space. The office area features x4 separate offices with built in shelving, x1 boardroom and a designated reception area with fixed reception desk. Toilet amenities are available on both levels with a kitchenette on the first floor. The warehouse area has been allocated separate security access to allow for deliveries and loading / unloading without giving access to the entire unit. The premises features high tech security system that can be hooked up to the telephone / telecom system, it is fully cabled and technology ready. As you can see from the photographs, this property is stunning and would suit a buyer who is ready to move immediately and requires all the luxury of a modern, contemporary office with the functionality of warehouse and storage space... not to mention the rear court yard !! **NOTE:** All Furniture is available to purchase if required. Call to arrange your inspection now! {for more property visit www.m5industrial.com.au}
