

Stunning Bespoke Family Home

10 Queen Street
Montefiores NSW

This north facing architecturally designed home offers generous proportions in its two story open plan design with cathedral ceilings and a unique bridge access to the sleeping accommodation upstairs. Over the two levels the home has large formal lounge & dining rooms, open plan kitchen, a second lounge/family room, office, specialty cinema room, 4 bedrooms with built in wardrobes, 3 bathrooms, while the master features a walk in wardrobe plus access its additional loft space. The kitchen has been thoughtfully designed & has plenty of cupboard & bench space plus a dishwasher & walk in pantry. You will also notice the abundance of power points throughout this home. This spectacular home is also set upon an equally impressive parcel of land some 3238 square metres in area. Situated on the allotment you will find 3 additional lock up sheds, one also houses the pool pump and additional shower. An advantage of buying a pre-loved home is that all the hard work has been done on the grounds and this one is no exception. It has established lawns and gardens with irrigation already in place, an in ground salt water pool, entertaining area plus plenty of locations to just sit back and take in the relaxed ambience these grounds have to offer. Something that money cannot buy is the feeling of belonging that makes this home a stand out and particularly special. Inspections are arranged by appointment under Covid19 safety plan & Health NSW guidelines. Online auction ends 26 August 2021 at 11am if not sold prior.
